---	------------------------

Recipe of the week:

Tuna Tartare

Ingredients

- 1 6-ounce ahi tuna steak
- 3 tbsp sesame oil
- 1 firm avocado, peeled, pitted, diced
- 1 serrano pepper, seeded & minced
- 1/3 cup chopped fresh cilantro
- 1/3 cup chopped red onion
- 1/4 cup fresh lime juice
- 2 teaspoons chopped fresh oregano

Directions

Dice tuna into small chunks.

Combine tuna, sesame oil, and all remaining ingredients. Using fork, mix just to blend – too much will make things mushy. Season tartare to taste with salt and pepper and chill.

Serve chilled with tortilla chips or fried won-ton strips.

Consuming raw or undercooked meat, poultry, seafood, shellfish, or eggs may increase your risk of food-borne illness.
